### What teachers say

"Our ākonga absolutely love the Wētā Workshop experiences, having a tour, and then choosing an interactive workshop. The blood making workshop was fun and they had a blast in the Intro to SFX workshop, making bloody scars and seeping wounds!"

The staff always help to create an itinerary to suit our needs and make booking easy."

-Hillcrest High School

"The Wētā Workshop Tour is a realm where imagination takes physical form, and where the stories of Middle-earth are not just told but lived. From the moment we entered, our students were left in wonderment and awe, an absolute must for any teacher taking their students to Wellington."
